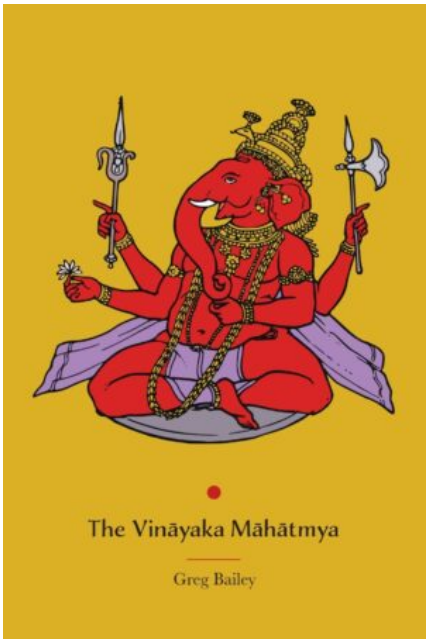
The Vinayaka Mahatmya



About the Book

The Vinayaka Mahatmya is a late Puranic text which contains myths of eight of Ga?e?a's avat?ras. It presents Ga?e?a as the supreme deity who empowers Brahm?, Vi??u and ?iva to perform their traditional activities of creation, preservation and destruction. It offers descriptions of many dar?anas of Ga?e?a and several stotras praising his worship. This book contains the first translation of this text into a modern European language and also includes a transliterated version of the Sanskrit text.
