About the Book

Lalita Sahasranama with Bhaskararaya's Commentary stands as a timeless jewel of Indian spiritual literature, presenting the thousand names of Lalita Tripurasundari—Goddess of beauty, wisdom, and boundless grace—alongside the profound insights of the great Tantric scholar Bhaskararaya. Carefully translated and edited by R. Ananthakrishna Sastry, this classic text opens the doorway to the rich tapestry of ?r?vidy?, guiding seekers through devotion, philosophy, and inner transformation. This new edition, fully recomposed for better readability and clearer text, features a fresh introduction for the 21st century, recontextualizing this sacred work for today's reader. It invites spiritual aspirants, scholars, and devotees alike to engage with the Sahasranama not only as a text of worship but as a living map of consciousness—offering clarity, depth, and the promise of inner harmony in an increasingly fragmented world. For those seeking a bridge between ancient wisdom and contemporary spiritual practice, this edition is both a guide and a companion on the path to the radiant presence of Lalita within and without.
