About the Book

Go-rams-pa bSod-nams-seng-ge was one of the brilliant Tibetan scholars of the fifteenth century. His works on Buddhist philosophy and tantras have attained the status of authority within the Sa-skyapa tradition. The *sDom gsum kha skong*, is one of the most important works of this scholar, summarizing his understanding of the entire spectrum of Buddhist teaching, in five related chapters. It can be profitably read as a record of intellectual activities among Tibetan Buddhist authors of that time.
