## About the Book

Dive into the profound wisdom of Caitanya Mahaprabhu and explore the timeless principles that have shaped community building within the Bhakti tradition. With detailed analysis and comparative studies, it provides a roadmap for building cohesive communities grounded in mutual respect, service, and devotion. Key themes include: The Foundation of Relationships: Understanding how individual interactions contribute to the larger societal fabric, enriched by perspectives from renowned philosophers Ideal Community Structure: Insights into Caitanya's teachings and their relevance in transcending societal divisions, informed by classical and modern thinkers Achieving Societal Harmony: Practical applications of Bhakti practices to promote unity and shared spiritual identity Organizing and Morality: A thorough examination of Caitanya's ideas of justice, morality, and communal resilience in comparison with other philosophical teachings. This book is not just a historical study; it's a guide for modern community organizers, spiritual seekers, and anyone interested in the timeless principles that can foster a more unified and compassionate society.

## About the Author

Gauranga Das is a graduate of IIT Bombay, a Visiting Faculty at the Indian Institute of Management (IIM) Nagpur, Director of UNWTO awarded Govardhan EcoVillage, Administrative Director of Bhaktivedanta Research Centre (BRC) affiliated to the University of Mumbai, United Nations Environment Program(UNEP)'s 'Faith for Earth' Counsellor and a member of ISKCON's Governing Body Commission.
