Prompt and Utter Destruction, Third Edition: Truman and the Use of Atomic Bombs against Japan

About the Book

In this concise account of why America used atomic bombs against Japan in 1945, J. Samuel Walker analyzes the reasons behind President Truman's most controversial decision. Delineating what was known and not known by American leaders at the time, Walker evaluates the options available for ending the war with Japan. In this new edition, Walker incorporates a decade of new research—mostly from Japanese archives only recently made available—that provides fresh insight on the strategic considerations that led to dropping the bomb. From the debate about whether to invade or continue the conventional bombing of Japan to Tokyo's agonizing deliberations over surrender and the effects of both low- and high-level radiation exposure, Walker continues to shed light on one of the most earthshaking moments in history.

Author:J. Samuel Walker

Publisher:Dev Publishers & Distributors

Edition:Third

Year:2017

Dimension:15 x 23 cm

No. of Pages:160

Weight:230 gm

ISBN:9789381406717

Binding:Softcover

Territory:South Asia

Price:Rs. 495

Rising above an often polemical debate, the third edition presents an accessible synthesis of previous work and new research to help make sense of the events that ushered in the atomic age.
